## ▶ PERSONAL STATEMENT

I am a software development graduate, fascinated by web technologies. I completed Software Engineering HND at the Edinburgh College with an A, followed by a bachelor's degree gained by completing Mobile Development BA at the University of the West of Scotland. Throughout my career I have gathered meaningful IT and customer service experience. With natural people-skills, I am confident, well organized and driven towards continuous professional development. I am always looking for a new challenge that will allow me to utilize my skills and knowledge base. I have a strong work ethic and a great passion for learning.

## ▶ SKILLS

Fluent professional English and Polish, Problem solving, Strong organizational skills, Attention to details, Deadline keeping, Efficient communication, Team player, Multitasking  
Full UK driving licence.

## ▶ IT

Git source control. Microsoft Windows ecosystem with MS office etc. Common IDEs and programming tools like VS Code, JetBrains, Vim and Neovim. Linux/Unix system management including on server deployment. Command line, bash scripting and task automation.
